ROBARTS LIBRARY

GUIDE TO THE STACKS

OLD CLASSIFICATION

All Old Class material is now located on the 9th floor in the blue section. Please follow the guide carefully as the material is not in strict alphabetical order. For example we kept the History section divided by continent.

pamphlets: These are shelved following the books of the same subject. Thus Pamph HEcclF will be found after HEcclF. Pamphlets are kept in boxes.

Folios and oversize books were not moved the the 9th floor due to space limitations. A comprehensive list is being prepared and will follow shortly. (Please use the old guide as to floor location for oversize.) All oversize material is located at the end of the yellow section of ranges on floors 10 - 13.
