Annual Library Statistics

May 1, 2013 to April 30, 2014

The University of Toronto Library produces annual statistical reports containing a range of information such as collection use by undergraduates of library material, statistical information on holdings (books, journals, digital collections) in the University of Toronto Library system.

A list of annual library statistics beginning from 2000 is online at <http://onsearch.library.utoronto.ca/annual-statistics>.
